Reviews

Extensive information! Its this type of excellent study. I have read and i am sure that i will gonna go through yet again once more down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Penguin Books Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. How much can love ask of us? Brilliant and mercurial Will Tye suffers a life changing accident. The terrible event ripples through three generations of the complex and eccentric Tye family, bringing to light old tragedies and dangerous secrets. Each member of the family holds some clue to the chain of events which may have led to the accident and each holds themselves to blame. Most closely affected is Will's cousin Cecelia, whose affinity with Will leaves her most vulnerable to his suffering and whose own life is forever changed by how she will respond to it. Told through the eyes of three women close to Will, his sister, his grandmother and his aunt, Cousins is a novel weaving darkness and light which takes us from the outbreak of World War Two to the present day, exploring the recurrence of tragedy, the nature of transgression, and the limits of morality and love.
