iUniverse, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is a collection of erotic short stories of fantasy, humor and love with twists of the unexpected. The vast Mojave Desert, the scenic Pacific Ocean and the high Sierra Nevada Mountains are backdrops of adult adventure. Love and intimacies are born in a small town library, a night school art class and the fountain at the center of town. A college girl tells of her evening with a boy and a retired couple never forget that they are in love and alive. Day dreams and wanderings lead to one encounter to the next and the magical erotic dancer appears from the wind to entice and capture a lover. Passions and lust bring neighbors together in erotic encounters and a cowboy helps a bathing lady in soapy distress as they wrestle in a country stream. This is a book of stories that are not all of fiction and as they are read, perhaps the reader will find themselves within the pages.
