But eventually when I finally got over my depression, I knew that I had to figure this whole female orgasm thing out. I didn't want to live the rest of my life not being able to make a woman orgasm. So, I began my search. The books that I found offered the same regurgitated information on where the clitoris is located, and the best positions to stimulate it. Within 9 months, I had over 360 interviews. and I had completely changed in the process. I spent the next 6 years practicing the things I had learned from those interviews. and a few more things that I learned along the way. And now? More than 90% of the time, I can make my lover...
