Apostolos Publishing Ltd, United Kingdom, 2016. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book. Was Jesus born at Christmas? Is it true that God's Word does not indicate the date of Christ's birth? David Hamshire takes the reader on a journey of discovery to find that the date of Jesus birth is revealed in Scripture from Creation to the Feasts of Israel. David Hamshire explores the Genesis account of the days of Creation, well-known verses of Scripture and the annual Feasts of Israel to establish a biblical basis for suggesting the Day of Atonement - one of the most important days in the Jewish calendar - as the correct day and date for Jesus birth. Reviews I was rebuked humbled and greatly encouraged by David in this book. Coming from a Sabbath fellowship I may not agree with all he says but I highly recommend it to all who seek to understand our saviour Yeshua and all who seek the light. How could I not have seen this before? Maybe because no-one told me as David says. Why did I not consider the importance and gravity of the Incarnation of Messiah? Thank you David for opening my eyes to so much more of the woven truths within the Scriptures. This is truly a must read for those seeking to understand YHWH'S WORD. It is revelation I have not read before and has been food for my soul, a new window into the Glory of YHWH ELOHIM. - Dave (Amazon Customer) I found David's book fascinating. It is clearly and concisely written and every argument is thoroughly backed up by scripture. I love the fact that everything God has done, and is going to do, is like pieces of a jigsaw...
