

Bulletin of the Wistar Institute of Anatomy and Biology Volume 2

By -

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 24 pages. OCLC Number: (OCLOC)48460060 Subject: Bioterrorism -- United States -- Prevention.

Excerpt: . . . 15 (1) The terms biological agent and toxin have the mean-ings given such terms in section 178, except that, for purposes of subsection (b), such terms do not encompass any biological agent or toxin that is in its naturally occurring environment, if the biological agent or toxin has not been cultivated, cultured, collected, or otherwise extracted from its natural source. (2) The term bodily injury has the meaning given such term in section 1365. (3) The term for use as a weapon includes the development, production, transfer, acquisition, retention, or possession of any biological agent, toxin, or delivery system, other than for pro-phylactic, protective, or other peaceful purposes. (4) (A) The term restricted person means a person - (i) who is described in section 922 (g), as such section was in effect on the day before the effective date of this paragraph; or (ii) who is an alien, other than an alien lawfully admit-ted...

Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Prof. Adell Lubowitz

This type of publication is every thing and taught me to searching ahead and more. It can be rally fascinating throg reading through period of time. You can expect to like how the blogger write this pdf.
