Your Comprehensive Training Guide to Puppies: Surviving the First Six Months (Paperback)

By Larry W Neilson

Polished Publishing Group, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Discover how a puppy learns and what you may be doing, or not doing, that may lead to behavioural issues with your puppy once he begins to develop into a teenage dog at approximately six months of age. Starting with pre-puppy preparation, the author guides you through an educational process specifically designed to assist you and your puppy during the early stages of his development. In Your Comprehensive Training Guide to PUPPIES: Surviving The First Six Months, you will learn how dogs actually learn and will be guided through many important steps you should take during the all-important early stages of your puppy's mental and physical development period. This book contains the essential information you need to learn in order to understand your puppy so that you are fully equipped to teach your puppy in a humane and natural manner while simultaneously developing a bond between you and your dog that will last a lifetime. By adhering to the methods described within this book, you will inevitably forge an enduring partnership with your puppy that will last a lifetime. You will...
