Search Press Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Teddy bears are an iconic symbol of childhood. They are often our first and best-loved toys right through to adulthood, often passed on to our own children to enjoy. This beautifully illustrated, comprehensive guide takes you into the magical world of teddy bear making and shows you how to create your own traditional bear to hand down through the generations. The book begins with a short history of the teddy bear, followed by detailed information on tools, materials and essential bear-making techniques. There's guidance on finding design inspiration, and three complete step-by-step projects to get you started. There's then detailed guidance on how to create different eyes, ears, noses and mouths to give your bear a unique personality, and sewn outfits to dress them in. The book ends with notes on care and repair, ensuring your treasured creation will last a lifetime.
