Temple Lodge Publishing, United Kingdom, 2004. Paperback. Condition: New. Language: English . Brand New Book. Destiny Learning , a path of adult education conceived and developed by Coenraad van Houten (based on the work of Rudolf Steiner), is here expanded to show a threefold way of working with karma: understanding, transforming and ordering. This threefold approach opens new vistas for healing relationships and conflicts, for developing creative faculties for community building, and for taking initiatives based on freedom. The author widens and deepens his previous work on the theme, showing that learning from destiny, as well as awakening the forces of will, are ongoing processes. He offers practical advice that is directly applicable to everyday life. Although this book can be studied on its own, it is also a development and completion of themes from van Houten s earlier works, Practising Destiny and Awakening the Will. Crucial aspects of the threefold path of destiny learning are here discussed and explained in greater detail. Anyone seeking to take their personal development in hand will find many nuggets of spiritual wisdom, based on a lifetime s work, in this short book.
