Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Many are surprised about all that is going on in our state, nation, and the world at large. Evil and wickedness is increasing and people s hearts are beginning to be fearful. Recently, unprecedented tornadoes, earthquakes, and floods have occurred all over the world, like never seen or experienced before. Lots of Christians do not truly know how to pray over these circumstances that confronts us. The scripture in 2 Chronicles 7:13-15, admonishes us to pray if certain destructive and devastating events occur, and God s people respond by humbling themselves, praying fervently, seeking God s presence, and turning their backs from their wicked ways, God will hear their prayers. It is imperative that, Christians should begin to rise and pray fervently for their states and nations. There are different types of prayers that can be prayed, and should be prayed over our state and nation. We have prayers of: repentance, intercession, faith, corporate, request and supplication, warfare, etc. This book is a guide on how to pray over your state and nation s officials and leaders, protection against wickedness and evil, prayer over dangerous neighborhoods, prayer for spiritual leaders, prayer for destruction of evil altars erected in our state, and much more.
