Organization for Economic Co-operation and Development (OECD). Paperback. Condition: New. 172 pages. Dimensions: 9.0in. x 6.2in. x 0.4in. Fortunately, teaching practices help shape the learning experiences and increase motivation and achievement for students. In addition, it has been revealed that when teachers collaborate well together they also tend to work better with students. This new informative publication clearly identifies and arranges profiles in relation to two connected areas of professional teacher practices: classroom teaching practices and participation in professional learning communities. This practical book enables a more comprehensive understanding of teaching practice and participation in professional learning communities nationally and internationally. It provides policy makers and other key stakeholders with the relevant information they need for educational system monitoring. Table of Content : Chapter 1.
