

This Modern Love (Paperback)

By Ray Hecht

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. American love isn't what it used to be. Roommates Jack and Ben are complete opposites when it comes to romance. For Jack, a mere waiter, it's easy to use the latest app to meet a new girl every weekend. But Ben, even though he's a programmer, can't seem to figure out how to maneuver online dating. On the other side of town, sisters Andrea and Carla have their own issues. Andrea is a bit of a wreck, stumbling from one dramatic episode to the next. Carla is more concerned with blogging than dating, though she does get lonely at times. In an age of narcissism and alienation, it's just so hard to meet someone. Over the course of one day, these thoroughly modern men and women keep passing each other by. From yoga class to the club - all in a haze of drugs, sex, and selfies - opportunities for true love come and go, and no one notices because they were too busy staring at their phones. Welcome to the 21st century.

Reviews

A top quality ebook and the typeface used was interesting to read through. It is really intriguing through reading through period. You won't feel monotony at anytime of the time (that's what catalogues are for relating to when you ask me).
