Condition: New. Publisher/Verlag: Back Bay Books | The Story of Success | In this stunning new book, Malcolm Gladwell takes us on an intellectual journey through the world of "outliers"--the best and the brightest, the most famous and the most successful. He asks the question: what makes high-achievers different? His answer is that we pay too much attention to what successful people are like, and too little attention to where they are from: that is, their culture, their family, their generation, and the idiosyncratic experiences of their upbringing. Along the way he explains the secrets of software billionaires, what it takes to be a great soccer player, why Asians are good at math, and what made the Beatles the greatest rock band. Brilliant and entertaining, *Outliers* is a landmark work that will simultaneously delight and illuminate. | Format: Paperback | Language/Sprache: english | 185 gr | 384 pp.
