By Rudy Rucker

Dover Publications Inc., United States, 2014. Paperback. Book Condition: New. Reprint. 226 x 152 mm. Language: English . Brand New Book. This is the definitive popular exploration of what the fourth dimension means, both physically and spiritually. Mathematician and science-fiction novelist Rudy Rucker takes readers on a guided tour of a higher reality that explores what the fourth dimension is and what it has meant to generations of thinkers. The exciting and challenging journey is enhanced by more than 200 illustrations and a host of puzzles and problems (with answers). This is an invigorating book, a short but spirited slalom for the mind. -- Timothy Ferris, The New York Times Book Review Highly readable. One is reminded of the breadth and depth of Hofstadter's Gödel, Escher, Bach. -- Science Anyone with even a minimal interest in mathematics and fantasy will find The Fourth Dimension informative and mind-dazzling. [Rucker] plunges into spaces above three with a zest and energy that is breathtaking. -- Martin Gardner Those who think the fourth dimension is nothing but time should be encouraged to read The Fourth Dimension, along with anyone else who feels like opening the hinges of his mind and letting...
