Mr. Ugly-Man Entertainment, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Miley Riley always dreamed of being famous in the spotlights of Hollywood. Achieving those dreams seemed pretty unlikely coming from the Podunk farm town of Oakley, Alabama. With no talents and no college education, she had settled into her career as a party planner and sharing an apartment with her on-again, off-again boyfriend. When the movie based on her twin sister Kiley's book begins shooting in California, Miley wastes no time in making the trip with her for a once in a lifetime vacation. Her wildest fantasies come true when she meets a dark-haired heartthrob, rising movie star Mark Tennyson. Their relationship heats up quickly, much to the chagrin of Miley's family and best friend Travis. When her new L.A. life begins to publicly crumble, Miley discovers who she can really count on. The road back to her real life returns her to Alabama, but will be filled with unconventional risks. Miley will learn to Be Careful What You Wish For. This is a stand-alone book that tells a complete story within its pages. The other books in the series give you more adventures about similar characters from the rural farm town of Oakley, Alabama.
