**CAPABILITY BROWN AND THE EIGHTEENTH-CENTURY ENGLISH LANDSCAPE (PAPERBACK)**[DOWNLOAD PDF](#)

The History Press Ltd, United Kingdom, 2014. Paperback. Condition: New. Reprint. Language: English . Brand New Book. WHO WAS 'THE FAMOUS MR. BROWN , and why are his parks still so important? Today he is credited with laying out every piece of parkland in Britain, while others accuse him of single-handedly sweeping away all the formal gardens that preceded the Landscape Movement. If he was indeed the greatest of all designers of man-made landscapes, how should we properly understand and appreciate his work and his legacy? In this comprehensive study of the man and his creations, the author follows an introduction to the culture and society of 18th-century England by tracing the rise of the Landscape Movement. In a unique exploration of Brown s style and techniques, 15 of his major works are described in full and illustrated with original plans, 18th-century pictures and modern photographs. The Gazetteer provides detailed information on all his other estates and their present condition. This important work first appeared in 1985 since when the author has revised the text, now re-set, and...
