

The Lord of Opium

Filesize: 8.25 MB

Reviews

It is great and fantastic. Sure, it is actually perform, nevertheless an amazing and interesting literature. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Atheneum Books for Young Readers. Paperback. Book Condition: New. Paperback. 448 pages. Dimensions: 8.6in. x 5.7in. x 1.2in. As the teenage ruler of his own country, Matt must cope with clones and cartels in this electric blend of horrors and beauty (Publishers Weekly), the riveting sequel to the modern classic *House of the Scorpion*, winner of the National Book Award, a Newbery Honor, and a Printz Honor. Matt has always been nothing but a clone grown from a strip of old El Patrons skin. Now, at age fourteen, he finds himself suddenly thrust into the position of ruling over his own country. The Land of Opium is the largest territory of the Dope Confederacy, which ranges on the map like an intestine from the ruins of San Diego to the ruins of Matamoros. But while Opium thrives, the rest of the world has been devastated by ecological disaster and hidden in Opium is the cure. And that isn't all that awaits within the depths of Opium. Matt is haunted by the ubiquitous army of *eejits*, zombie-like workers harnessed to the old El Patrons sinister system of drug growing people stripped of the very qualities that once made them human. Matt wants to use his newfound power to help, to stop the suffering, but he can't even find a way to smuggle his childhood love, Maria, across the border and into Opium. Instead, his every move hits a roadblock, some from the enemies that surround him and some from a voice within himself. For who is Matt really, but the clone of an evil, murderous dictator? Is his true destiny already predetermined by his genes? This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
