## A ROGUE, A PIRATE, AND A DRY MARTINI (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Cancelled, dumped and told to retire all in one morning in Hollywood, our heroine, the former star of Morgan Sidney, the Laughing PI, thinks it can't get any worse until her agent tricks her into working on some real low end, Loserville production where everybody smokes all the time and drinks martinis between scenes. No special effects, no car chases, just actors she's never heard of playing scenes. And her co-stars! Who are these guys? Sophisticated, witty, and sexy, the kind of men you wouldn't mind a bit doing a nude scene with, but for some reason in these movies there's no humping. All they do is kiss. But after a martini or two, kissing these guys (and our heroine makes it her business to kiss them all) is better than sex. No kidding. It's all great fun, even if it is guaranteed to ruin her career. So what's going on? Nobody makes movies like this anymore. And where the Hell are they getting all these unfiltered Chesterfields? So what happens if the guy you're crazy about turns out to be somebody you've probably watched on Turner Classic Movies? And you're pretty sure (if only you'd paid more attention in history class) that it's the middle of the Great Depression and World War II is on its way. Does any of that matter if you're in love for the first time in your life?.
