Italica Press, United States, 2011. Paperback. Book Condition: New. 214 x 138 mm. Language: English . Brand New Book ***** Print on Demand *****. In this book, Love emerges from confusion even as, in the description of the ancient poets, he sprang from the womb of Chaos. And although it is many years old, and of an earlier date than all my others, it is eminently youthful in appearance and hopes to please like a thing newmade. - Torquato Tasso *Torquato Tasso* (1544-95), the renowned author of the epic, *Gerusalemme liberata*, and of the pastoral drama, *Aminta* (Italica Press, 2000), was also a great and prolific lyric poet. When he was still in his teens, he fell in love with Lucrezia Bendidio, a noted beauty and singer at the court of Ferrara, and wrote the first one-hundred-and-twenty of his five hundred love poems for her. These lyrics, collected as *Rime Amoro*, Book One, by Tasso's nineteenth-century editor, Angelo Solerti, are here restored to the order that Tasso himself gave them when he oversaw Francesco Osanna's 1591 edition, which he considered definitive. Max Wickert has edited the Italian texts, with his new English verse translations on facing pages. In his Introduction, he outlines the process of Tasso's successive rearrangements and analyzes some of the key themes in these poems. The poems themselves are accompanied by detailed explanatory notes, including a selection of those made by Tasso himself. Critical acclaim for Max Wickert's *The Liberation of Jerusalem* Wickert's is a remarkable achievement. The translation is consistently faithful to almost every detail of the content [and] successfully recreates much of the distinctive structure of Tasso's language and its complex interrelation with the metre. - David Robie, *Times Literary Supplement* Wickert's fine translation captures both the dignity and...
