Little, Brown Book Group. Paperback. Book Condition: new. BRAND NEW, Birth Order: What Your Position in the Family Really Tells You About Your Character, Linda Blair, On the basis of over 25 years' clinical experience and psychological research, Linda Blair reveals how your birth order position, as well as the spacing between you and your siblings and the sex of your siblings, impact your childhood, your adult life and your relationships. Packed with new research and written in a lively, personal style, Birth Order will inform and intrigue. By reading this unique book you will quickly understand yourself, your family and your partner better. It will also shed light on the dynamics of your other relationships, explain why you may repeat patterns within relationships, and suggest helpful strategies for dealing with other people. Chapters cover birth order and what being the eldest, middle, or youngest child reveals about you, the effect of large or small age gaps between you and your siblings, family size, the sex of your siblings, parental attitudes to each child, being an only child, being a twin, the impact of step-siblings, and much more.
