

The New Paradigm in Consciousness and Spirituality: Book Reviews, Quotes and Comments (Paperback)

By Peter Fritz Walter

Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The New Paradigm in Consciousness and Spirituality-2017 Revised, Updated and Reformatted Edition- is a book and media review sampler. The book reviews were written between 2005 and 2014, the result of an effort for making a contribution not only to academia, but more so, to college students around the world who wish to be informed about books that cover the exciting adventure of the paradigm changes in business, science and society that we are currently living through. The present volume belongs to a reviews trilogy that are intended to be a coherent whole. The two other volumes are entitled The New Paradigm in Business, Leadership and Career and The New Paradigm in Science and Systems Theory. Invariably, as students, scientists, doctors, consultants, lawyers, business executives or government officials, we face problems today that are so complex, entangled and novel that they cannot possibly be solved on the basis of our old paradigm, and our old way of thinking. As Albert Einstein said, we cannot solve a problem on the same level of thought that created it in the first place-hence the need...
