

## Big Data and Data Science Initiative in India- Upcoming Job Opportunities: Big Data Job Opportunities in India (Paperback)

By Prof Ajit Kumar Roy

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Each day, our society creates 2.5 quintillion bytes of data. With this flood of data the need to unlock actionable value becomes more acute, rapidly increasing demand for Big Data skills and qualified data scientists. Data Science and Big Data Analytics is about harnessing the power of data for new insights. A data scientist is somebody who is inquisitive, who can stare at data and spot trends. Big Data brings new opportunities to modern society and challenges to data scientists. According to the optimists, big data in combination with the Internet of Things (IoT), a world where the vast majority of gadgets, machines, and humans are connected to the internet and to each other promises a future where all important decisions about business, life, and society would be taken purely and happily on the basis of data. Prime Minister Narendra Modi has launched an ambitious initiative to digitise India by making Internet access available to over two lakh villages by 2019, promoting e-governance, e-banking, e. education and e-health, and transforming India into a knowledge economy. Covering issues ranging from cyber security...
