She's many miles and a lifetime away from her impoverished upbringing in the backwoods community of Mountain Rose, Ohio. When Macey Lee's sister Betsy suggests they go back to Ohio to visit their siblings, a terrible memory surfaces: the death of their ten-year-old brother Jeremy in 1954. And with that comes a long-repressed thought: that their brother's death was no accident. When they begin investigating the circumstances around little Jeremy's supposed drowning, threats are made on their lives and it becomes apparent that someone wants the truth to stay buried. The sisters bump up against dead ends; lost records, changed stories, missing evidence and riddles. When they go to visit elderly Jasmine, their late mother's best friend, a stunning piece of evidence is discovered in her attic. Will the evidence lead them to the truth, or to their deaths? 272 pp. Englisch.
