*This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## LATE-MEDIEVAL GERMAN WOMEN S POETRY: SECULAR AND RELIGIOUS SONGS (PAPERBACK)

Boydell Brewer Ltd, United Kingdom, 2012. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Although there were a number of outstanding women writers of the late middle ages, it was not thought that women composed lyric poetry. Classen proves this to be a misconception, presenting here a selection of secular love songs and religious hymns composed by fifteenth- and sixteenth-century German women poets, translated for the first time. Many seem to have left their works anonymously, or hid their names using acrostics; in these and other cases, Classen has identified a considerable corpus of writing which now fills the gap previously supposed to exist in the history of medieval and early-modern German women s poetry. Dr Albrecht Classen is University Distinguished Professor and Undergraduate Advisor in the Department of German Studies, University of Arizona.
