CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 60 pages. Dimensions: 11.0in. x 8.5in. x 0.1in. Paul Jurisch is a Registered Pharmacist born, raised, and still living in Chicago, IL. He has been variously called a prophet, a saint, and having second sight. He has been told he is a true healer by those he has touched, but always given the credit to God. He knows that while his name is on the book as author, God is the creator of the book and Paul is merely Gods humble assistant and scribe. The corporeal author Paul, and the incorporeal author, God, hope that people will now be able to understand the way it is in Heaven, God and THE LIGHT THERE. This book is not intended to disparage any religious or non-religious belief. It is also hoped that it will be read by people of all faiths or no faith and be enjoyed. This item ships from La Vergne, TN. Paperback.
