Raised by a cult who performed a string of killings known as the Rag Doll Murders, his unique view of reality consists of puppets, dolls, and odd creatures called Maskers and Feathermen where others merely see the real world for what it is. Tony Meriwether is a Christian child psychologist called in by the Prince's lawyer, Vincent Lo Russo. Trying to help this young man so dissociated from normal reality, Tony prays to be able to see the world through the Prince's eyes. . a prayer that is granted with some horrifying results. These two are thrown head first into a supernatural war for New York City led by none other than Satan himself. It becomes a war in which reality itself is torn asunder. An event which will open the doors of the supernatural becoming natural is about to unfold. Dare you enter the world of The Raggedyman?.
