

Bonereapers: A Dinah Pelerin Mystery (Paperback)

By Jeanne Matthews

Poisoned Pen Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Hewed out of a frozen mountain six hundred miles from the North Pole, the Doomsday Seed Vault was designed to safeguard the earth's precious collection of seeds from rising sea levels, hurtling asteroids, nuclear holocaust, and every other conceivable disaster. But no fortress, however remote or carefully constructed, can protect against human corruption and men who have made it their business to gain control of the world's food supply. Dinah Pelerin had no idea when she left sunny Hawaii on an undercover fact-finding mission to the seed vault in Longyearbyen, Norway, that she would get a crash course in the politics of genetic engineering, or that she would become embroiled in the marital troubles of an American presidential candidate and his enigmatic, Norwegian-born wife. Or that a dead body would tumble out of the hotel sauna into her arms. In late December, Polar Night wraps around the little town of Longyearbyen like a lead blanket, impenetrable and endless. The temperature rarely climbs above zero and bodies don't decompose in the permafrost. The dead have to be shipped...
