Paperback. Condition: New. 192 pages. In Joy, Osho posits that to be joyful is the basic nature of life. Joy is the spiritual dimension of happiness, in which one begins to understand ones intrinsic value and place in the universe. Accepting joy is a decision to go with the flow, to be grateful to be alive and for all the challenges and opportunities in life, rather than setting conditions or demands for happiness. The Insight for a New Way of Living series aims to shine light on beliefs and attitudes that prevent individuals from being their true selves. The text is an artful mix of compassion and humor, and readers are encouraged to confront what they would most like to avoid, which in turns provides the key to true insight and power. Joy is a wondrous investigation into the source and importance of joyfulness in our lives. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
