

## Introduction to Manuscript Studies (Paperback)

By Raymond Clemens, Professor Timothy Graham

Cornell University Press, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book. Providing a comprehensive and accessible orientation to the field of medieval manuscript studies, this lavishly illustrated book by Raymond Clemens and Timothy Graham is unique among handbooks on paleography, codicology, and manuscript illumination in its scope and level of detail. It will be of immeasurable help to students in history, art history, literature, and religious studies who are encountering medieval manuscripts for the first time, while also appealing to advanced scholars and general readers interested in the history of the book before the age of print. *Introduction to Manuscript Studies* features three sections: \* Part 1, *Making the Medieval Manuscript*, offers an in-depth examination of the process of manuscript production, from the preparation of the writing surface through the stages of copying the text, rubrication, decoration, glossing, and annotation to the binding and storage of the completed codex. \* Part 2, *Reading the Medieval Manuscript*, focuses on the skills necessary for the successful study of manuscripts, with chapters on transcribing and editing; reading texts damaged by fire, water, insects, and other factors; assessing evidence for origin and provenance; and describing and cataloguing manuscripts. This part...
