## AJACII AND DEMONS: THE INGENAIRII SERIES (PAPERBACK)

[DOWNLOAD](#)

Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\* A man without memories of his past awakens adrift at sea in a tiny boat, then is picked up by a fishing vessel; so began Rescuing the Captive, the precursor to Ajacii and Demons. That previous volume, number seven in the Ingenairii Series, presented a significant new beginning in the life of Alec the Healer, a new beginning that provides exciting adventures as it continues in Ajacii and Demons. As Alec learns the language, the culture and the geography of the Avonellene Empire, he learns that he holds strange abilities, and he learns that foreigners, like himself, are little loved by the people of new land he lives in. He slowly begins to regain his memories in portions that reveal the past glories and loves of his life, without revealing all of his past or giving him any explanation of how or why he came to this land he does not know and does not blend into. His quixotic decision to help a princess who has been overthrown in a coup comes to dictate the activities of his life, as he tries to assist and protect her, then comes to love her. But he is made painfully aware that a foreigner, with his barbaric accent and lack of native roots, cannot be tolerated in the royal court, even though his extraordinary abilities are all that can keep her on the throne. Alec is sent away from the court, ostensibly to help fight the princess's foes in Krimshelm, the northern city the Conglomerate hopes to conquer next. The challenge of battle in Krimshelm, awaits Alec. More fundamentally, the challenge of recovering his memories, and learning who he is, who he...
