Dimensions: 9.0in. x 6.0in. x 0.3in..Join the Revolution with this Bundle!Learn Everything You Needto Know About Blockchain and CryptocurrencyIn the past few years, the world has seen the tendency towardsfavoring decentralized systems, rather than depending on a central authority. The infrastructure that is allowing this revolution to take place is calledBlockchain. What is it In the words of Don and Alex Tapscott, two of the biggest experts in the cryptocurrency sphere, The blockchain is an incorruptible digital ledger of economic transactions that can be programmed to record not just financial transactions, but virtually anything of value. On the blockchain, different cryptocurrencies have been developed. Today, there are more than 1300 cryptos on the market, each one with its own features. The market of cryptocurrencies has now reached over 350 billion dollar in evaluation. It is a remarkable achievement, since now this industry is bigger than McDonalds and Pepsi. If this phenomenon could be left outside the media a few years ago, now it is impossible to deny that there is a true revolution in act. With hisflawless styleand hisprofound knowledge, Corey managed to put together...
