By teachers teaching in the classroom teaching time constraints, can not compensate for this defect. This book will fill the shortage of textbooks and classroom teaching. It has two prominent features. A preview and organize after-school review of the use, help to improve classroom learning. For the class did not understand the students, the book is equal to a good use of your teachers back home. Second, the middle level of the students have this feeling: the usual learning feels good, but one test, there are always some of the topics usually do not. The reason is the content of the examination requirements to be harder than teaching. Book is to fill the gap between textbooks and examinations, examination requirements, a comprehensive knowledge of materials mining and upgrading, so that students can look down at the examination, handy. Each discipline has its own characteristics, we strive to reflect the individual characteristics.
