Visit us online at - - On a certain August day, in the year 1776, two little girls were strolling hand in hand along the pleasant promenade that leads from the queer little town of Ajaccio out into the open country. The town of Ajaccio is on the western side of the beautiful island of Corsica, in the Mediterranean Sea. Back of it rise the great mountains, white with snowy tops; below it sparkles the Mediterranean, bluest of blue water. There are trees everywhere; there are flowers all about; the air is fragrant with the odor of fruit and foliage; and it was through this scented air, and amid these beautiful flowers, that these two little girls were wandering idly, picking here and there to add to their big bouquets, that August day so many years ago.
