Xlibris Corporation. Hardcover. Book Condition: New. Hardcover. 312 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. As yer humble groveling (if I may) author I implore you to purchase this semi humble tome (aka book). If not for yerself, how about doing it for the children. Who or what children ye ask Where else can you get the truth about the Truth, of which Pilate wasnt the first to ask, what is It Additionally, we cover UFOs, shape changers, (aka skin walkers) were wolvesleopards, vampiric phenomena (cattle mutilation, aka mutes), so-called aliens, Sasquatch, (aka Big Foot) crop circles, dowsing, 2012, 2013, 2014, yadda yadda what not, the real Jesus, a really cool pizza recipe, Gods signature, and we incorporate the Devilles (AKA satan, light giver, lord of the flies) opinions (which can be somewhat enlightening am I the only one who thinkz he Lucifer should aim higher), where the bleep was I Oh yeah, thats wright, this is supposed 2 be about the author. Frankly, does anybody really give a shit about the author I mean who reads this bleep anyway I mean who cares that BD Popparokc (aka BD known affectionately by those who dont know him, as a possible genius and mutilator of electric guitars and less affectionately by those who know as an asshole or madman) must encapsulate his entire lifes story in a brief 250 word essay due to the expediencys and demands of the publisher. Maybe you can do better. Parents beware, there is a sampling of profanity, misspellings, and grammatical crime concealed with in the pages of this vehicle of understanding, but nothing worse than what yer kids are already hearing at home or in school, thusly ye have been warned This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
