SUMMARY - Alice Verney is a young woman intent on achieving her dreams. Having left Restoration England in the midst of a messy scandal, she has been living in Louis XIV's Baroque, mannered France for two years. Now she is returning home to England and anxious to re-establish herself quickly. First, she will regain her former position as a maid of honor to Charles II's queen. Then she will marry the most celebrated duke of the Restoration, putting herself in a position to attain power she's only dreamed of. As a duchess, Alice will be able to make or break her friends and enemies at will.But all is not as it seems in the rowdy, merry court of Charles II.
