*An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Presidential Address, Vol. 10: Delivered at the Opening Meeting of the Winter Session, 12th November 1902 Fellow Architects, - When addressing you at the opening of our Session last winter, I little thought you would call on me to address you in the same capacity again. I am truly grateful for the honour thus put on me beyond both my desert and expectation, and will prove my appreciation of your kindness by endeavouring on the present occasion once more to address you as your President, though I would have been much more pleased to have listened quietly to-night to our warmly esteemed President-elect. But I console myself with the reflection that when enjoying (as I hope we all may be permitted) his address next year at this season, you will not fail to realise that, by my involuntary interposition, it has, like good wine in the bush, gained in strength and flavour by another year s keeping. Our venerable ex-President, Mr. Glover, when paying us a very welcome but too brief flying visit a few weeks ago, complained to me that my last year s address was somewhat too general, not dealing with the local conditions of our work.
