

## Love Is My Religion: Rooted in God (Paperback)

By Adolfo Quezada

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Ultimately, what matters most is love: love of God, love of others, and love of self. Love is My Religion, by retired psychotherapist and spiritual writer Adolfo Quezada, is a personal, poignant, and powerful declaration of his belief in the primacy of love. It is, at the same time, an intimate account of how love impacts his personal life on a daily basis, and a call to others to put their love into action on behalf of those who are suffering physically, mentally, and spiritually. Quezada encourages readers to reflect on love and the place it occupies in their own lives. Although it is a little book, it is not a quick read; instead, it is a book that needs to be read little by little and reflected upon. It is a useful resource for spiritual groups as well as for personal meditation practice.
