Before I left for my tour in May, I got into a huge fight with my best friends. They said some horrible things that really hurt me. Even at the end of the summer, it still stings a little. I haven t spoken to them since our fight. I miss them dearly, but can t seem to bring myself to call them. That s fine, because they haven t tried to contact me, either. Hopefully, things will start to get back to normal when school resumes. Honestly, I truly hope that that ends up being the case. Even though they hurt me badly, I miss my best friends more than anything.
