

## Excuse me, Is this India? - PB (Hardback)

By Anushka Ravishankar

Tara Books, India, 2014. Hardback. Condition: New. Anita Leutwiler (illustrator). Language: English . Brand New Book. Illustrated with exquisite quilts made from Indian textiles, *Excuse Me, Is This India?* is a roving travelogue through a child's imagination. Drifting off to sleep beneath a picture-quilt made by a globetrotting aunt, the book's young narrator becomes a bright blue mouse, swept away on an unexpected trip to India.or is it India? The answer to this question is coded in riddling poetry, as the confused traveller navigates her fantastical but all-too-real dream world. Brilliant nonsense verse captures the surreal cacophony of places, people and creatures that make up India. This is the first softcover edition of a classic Tara title.

*This is the finest publication we have read through right up until now. Better then never, though i am quite late in start reading this one. Its been written in an remarkably easy way in fact it is only after i finished reading through this book by which basically altered me, affect the way i think.*
